Many of you may remember Dr. David Maddox and his wife Sybil. Dr. Maddox was the Zanesville City Schools dentist for 50 years. He passed away Wednesday July 15, 2015 at the age of 88. He was a strong advocate of our Soroptimist Club and of the dental health program. He always saw the need to help

the indigent students dental health in our schools and knew the treatment that was given to our students was the best. He also felt that education and good preventive care was a key to good dental health. Upon retiring from the program in 2006 he still purchased pecans and kept abreast of

what was happening with the dental program. It was my extreme pleasure working with him for 25 years.

He taught me a great deal about dental care and helping our wonderful students.

Spirit of Soroptimist Recipient— Linda White

My sincere thanks for the Spirit of Soroptimist Award! There are many Soroptimists to thank personally like Joyce Had-dox, a friend when a newly married couple moved to Zanesville from 1966 to 1977 and who helped me personally when I moved back in 2002 during some rough personal times.

She invited me to my first Soroptimist meeting (which I mispronounced periodically) and she's why I joined in 2004 for purely social reasons. My sincere thanks to Becky Archibald who encouraged me to attend District meetings and then regional Spring Conferences where I met energetic, friendly, encouraging, professional Soroptimists who clarified the broader mission of Soroptimist at the local, regional and international levels to help women and girls.

When Becky asked me to be Corresponding Secretary on the SIZ Board, my local

community service passion began!

My sincere thanks to Doris Baker who encouraged and guided me as an officer on SIZ board. Thanks to all the awesome Zanesville Soroptimists who donate time, talents, and funds to make a positive impact and difference. I am so proud to be a member of Soroptimist!
