Bring on summer! I'm ready, ready, ready.

Can I tell you we had a great time doing the living room at Transitions? It not only feels good to redecorate, but we enjoy laughs & stories and history of our organization. We get to know each other better & have a good time reaching our goal. Thanks to Melanie Smith who coordinated the project & designed it. And thanks to all who came & helped. It turned out super!

Our style show did about \$4,000. It was a great time & thanks to everyone who helped. I thought the wedding dress was spectacular!

Now we are getting ready for the golf outing with a twist. We will have golf balls that can be purchased for \$5.00 each and they will be let loose down the slope & the ball closest to the hole will get half of the pot. In case of tie half of pot will be split between the two. The outing is **July 15 at Green Valley**. Even if you don't golf you can enjoy the others & help out. You are all welcome!

At the Midwest conference we had a speaker who had been a sex slave in Columbus. She had been sold several times. When she got out, she started Survivors Ink, a charity to cover up the pimp tattoos that they own them. We were going to have her speak for us and talk to young girls. She passed away last week. It touched my heart as we had sat with her at lunch and talked about her coming to our meeting

Doris Baker, our long time Soroptimist sister, passed last week as well. She had her hat on so we will wear our hats at our **June 1st** meeting to honor her.

Have a great summer!

AUGUST 3rd TO BE ANNOUNCED

Smile Zone

Valencia Clark

Wow! Another school year is closing. The Dental Health Program and the Mobile Dental Unity had another busy year. Treating dental health problems with Dr. Malek in the dental unit saw teeth being filled, sealants applied, some extractions, exams, cleanings and X Rays. Educating our students about proper dental care, dental problems that can happen, nutrition and seeing the faces light up with new tooth brushes, toothpaste and dental floss. Thanks to all of you for supporting this much needed dental health program. **75 years strong!**
