Hello! It's August....

Here I am, broken arm and all! Our meeting is on the 3rd at The Bridge Café on Muskingum Ave. Be prepared to meet with your committee and work on planning for the upcoming year. I would like to hear a report from each group at the wrap up of our meeting.

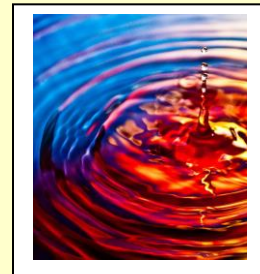

What a great golf outing! The ball dump was spectacular. We were able to raise a lot of money for scholarships. Thanks to everyone who helped. At our picnic we shared some great conversations. Even Linda White was able to travel and join us. Thank you Kelly Moore for your hospitality and for opening your home to us.

Recently I was talking to Kim Brandfass and she told me this story: Kim was talking to someone recently & they asked "are you still in that women's group?" She immediately said "Yes I am, and this, this & this is what is going on." The woman said *I want to join!* Way to go Kim! Keep sharing our mission!

We do many things that we may think are not that big a deal. But the world is watching and our little stone we throw in the pond has huge ripples rolling to other shores, showing how we are making changes. That is how it is done! Thanks to all you ladies with all your assorted skills coming together to achieve so much!!!! Keep making ripples!

With Love, Lynn

From Our
President,
Lynn McGlade*

Peridot Gemstone

The birthstone for August is the lovely green Peridot. Ancient Egyptians called peridot the “gem of the sun,” believing it protected its wearer from terrors of the night. Egyptian priests believed that it harnessed the power of nature, and used goblets encrusted with it to commune with their nature gods. The most productive peridot deposit in the world is located on the San Carlos Apache Indian Reservation in Arizona. An estimated 80 to 95 percent of the world’s peridot supply is found here.

First Soroptimist Club, Alameda County, California 1921

Members Committee Core Group: Upper Row (L to R): Edna Brown, Life Insurance; Violet Richardson Ward, Physical Education (First Club President); Eloise Cushing, Attorney at Law; Emily Wilkie, University Press; Gladys Leggett Penland, Insurance Broker. Bottom Row (L to R): Sarah Hammond, Cafeteria; Helena Gamble, Campaign Manger; Dr. Cassie Moreland, -Osteopathic Physician; and Isabel Jenkins, Jewelry.

On June 21, 1921, the historic first meeting of the Members Committee met at the Hotel Oakland to officially launch the first Soroptimist club (Soroptimist Club of Alameda County). The core group met once a week and in three short months they had gathered the support of 80 women in Alameda County, CA, which was the number stipulated as minimum to form a charter club. The presentation of the Charter and the officer installation ceremony for the Soroptimist Club of Alameda County took place in formal style at the Hotel Oakland in Oakland, California, on October 3, 1921.

The real significance of this first ever women's service club may today be underappreciated but at the time it was revolutionary. By the beginning of the 1920's women in North America had established themselves in the political arena through suffrage and in the professional world as a result of World War I. However, the idea of a service club exclusively for women was unheard of. Thus with the advent of this first Soroptimist club in 1921 a major social divide had been bridged.

Fun at the Golf Outing

At Left: New Hole Signs for all of our sponsors look great.

At Right: The decorations really fit the Paris Theme! Great job by Melanie Smith for coordinating.

Ball dump in action!

At left: Taffy watches as Steve Galloway "dumps" the golf balls. 59 tickets were sold in all. That's great for a first time effort. The big winner was Melanie Smith (at right) with lucky ball # 12. She took home \$295!

Our President, Lynn McGlade looking Tres Chic in her raspberry beret and fashionable arm sling. She was such a trooper at the outing, not letting her injury stop her from helping.

MEETING MINUTES

There are no official meeting minutes for the July meeting.
 Members gathered for a fun picnic at the home of Kelly Moore.
 No official business was conducted, only food, fellowship and fun!
