President's Letter—Lynn McGlade

Well it is hot! August is almost here. Where has this summer gone? The golf outing was so much FUN. Everyone had such a great time.

The Longaberger team returned their winnings to us to use for scholarships. Isn't that generous? Thank you so very much! We are awarding scholarships to very deserving students in September.

We have an opportunity to welcome four more new Soroptimist members, hopefully soon.

Ask your friends and family to attend a meeting as a guest. They may just be waiting for you to welcome them. Some people still think we are exclusive, but we are inclusive. We welcome all women, because when we have many hands, the work is lighter.

Our hope for our new year is that you have a better understanding and appreciation of the legacy that Soroptimist has quietly been making in Zanesville and the world for 75 years.

We've made a big impact making our community a better place than when we started. What we have accomplished and how it makes people feel is an exemplary legacy that echoes still through eternity.

- Lynn McGlade

Smile Zone

School begins on August 24th. Where has summer gone? It is always exciting to begin a new year of the dental health program. Children sometimes enter school with dental problems that have developed over the sum-

mer. We begin the treatment phase of the program right away. Dental screenings begin for dental problem identification. Toothbrushes are handed out and classroom dental health sessions are scheduled. Smiles are so important as we try to help our students achieve the goal of keeping their teeth for a lifetime.

2016 Golf Fundraiser—50s Theme

The Golf Scramble Fundraiser at Green Valley was a huge success! We had 15 teams and 21 Hole Sponsors, and our Soroptimist members all working together. We had lots of compliments from the Golfers, the decorations, all the good food and snacks. Steve is always so great with scoreboard and helping to create a fun day! We also announced July 15th, 2017 for next summer's scramble!

We should have a financial total in a few days! - Charlotte McGuire
